Tax Bulletin 19-07

Effective Date: Sept. 1, 2007

Re: Watercraft Registration Fee Increase

The 2007 Utah Legislature passed Senate Bill 148, Boat Registration Amendments. This bill removes the up to \$10 boat registration fee from statute and authorizes the Board of Parks and Recreation to set the boat registration fee through the budget process. Changes to the fee will take effect on the first day of the calendar quarter that begins 90 days after the day on which the Tax Commission is notified of the change.

Therefore, effective Sept. 1, 2007, the fee to register watercraft will increase to \$25.50. This increase was authorized by the above legislation to allow Parks and Recreations to collect additional money to improve boating facilities.
